

GUNNISON VALLEY RTA TRANSPORTATION PLAN UPDATE Public Workshop: Priority Issues Identification

Agenda

**June 11th & 12th, 2008
6:00-7:30 pm**

The purpose of this workshop is to formally introduce the communities of Gunnison, Crested Butte South, Crested Butte, and Mount Crested Butte to the Transportation Plan Update and its objectives, tasks, and work products. Through this workshop, participants will identify and prioritize transportation issues and opportunities that the Plan should address. The Transportation Plan determines short- and long-term major transportation priorities throughout the project area. Participants are encouraged to ask questions, provide input, and express their ideas on the Plan.
